### HOW TO USE FLEX/VAN

There are **FOUR** easy ways to use Flex/Van:

**1. Flex/Van Bus Stops**  
If your trip origin and destination are near a Flex/Van stop identified on the map, simply go to the closest stop and wait for the bus. Each of these locations has a sign that identifies it as a Flex/Van stop. The schedule lists departure times for all key stops (timepoints). To ensure that you do not miss the bus, plan to arrive at your stop 5 minutes early.

**2. On-Demand Bus Stops**  
In addition to the designated bus stops, there are some locations that are on-demand bus stops. Passengers wishing to go to any of these locations should tell the driver as they board the bus. The driver will reroute the bus to deliver the passenger. For service from these locations, simply call 413-323-6100 and the next available bus will be rerouted to pick you up. Please see the map for locations of on-demand stops.

**3. Schedule a Trip**  
If you cannot get to a Flex/Van stop, or if your destination is not close to a stop, you can still use Flex/Van. Just call 413-323-6100, Monday through Friday, and a Customer Service Agent will work with you to route the bus closer to where you live or want to go. Initially trips need to be scheduled the day before, but for best results, reservations should be made a few days in advance. You may be asked to get on or off the bus at a location that is within a few blocks of your origin or destination. Some locations are not accessible to Flex/Van buses. Except for the on-demand stops, all requests for service to locations not directly on a route must be made in advance. Drivers cannot make unscheduled route changes. Flex/Van will meet you at the curb of your pickup location. If you are not at the pickup point, the bus will not wait.

**4. Place a Standing Order**  
If you plan to make the same trip regularly, you can place a standing order with our Flex/Van office. Once your standing order is confirmed, a Flex/Van bus will pick you up as requested until you cancel the standing order. To place a standing order call 413-323-6100, between 8:00 AM and 4:00 PM, Monday through Friday.

### Transfer Policy

You may transfer from the Flex/Van route to any PVTA route. If you are going to transfer, purchase a transfer from the operator at the time you pay your fare. Transfers are good for 90 minutes, and never for a round-trip or stopover.

### How to Change or Cancel a Reservation?

If you need to cancel or change your reservation or standing order for a Flex/Van trip, please call 413-323-6100 at least 3 hours before the scheduled trip. Cancelling less than 3 hours before your scheduled pickup or not showing at pickup location will be considered a missed trip. Passengers with 3 missed trips within 30 days will be denied the privilege of requesting reservations for 30 days.

## HOW DOES THE FLEX/VAN WORK?

The Flex/Van is a type of transit service that provides scheduled dependable service to fixed bus stops but also allows for the bus to travel closer to the passenger starting or ending point. The Flex/Van travels from stop to stop at times indicated on the schedule. In between stops the Flex/Van may be rerouted to pick up and drop off passengers at locations that are not directly on the route. For more information about how the Flex/Van works call 413-323-6100
